

# What's Next?

(after a B.Sc. in Biology)

November 11, 2009, 7:00-9:00 pm

Science Complex Atrium

Are you undecided about what to do after you graduate? If so, join us for an evening of career advice (and snacks!) from a distinguished panel of Biology B.Sc. graduates. Speakers will include:

- |                  |   |
|------------------|---|
| Chandler Andrews | Science Advisor – Earth Rangers Foundation                                |
